

**Regular Board Meeting of the Village of Solvay Board of Trustees  
Tuesday, February 23, 2016**

**OFFICE OF THE CLERK  
GAIL M TAROLLI**

---

Today, Tuesday, February 23, 2016 the **REGULAR BOARD MEETING of the SOLVAY VILLAGE BOARD OF TRUSTEES** was called to order by Mayor Ronald Benedetti at the Town of Geddes Court Room, 1000 Woods Road, Solvay, NY 13209 at 6:00 p.m.

**PLEDGE TO THE FLAG** Daniel Bellotti

**ATTENDANCE ROLL CALL:** Trustees William McVicker Present  
Daniel Bellotti Present  
John Fall Sr Present  
Derek Baichi Present  
John Cregg Present  
Deputy Mayor Thomas Tarolli Present  
Mayor Ronald Benedetti Present

**CORRESPONDENCE:** Letter from Governor Cuomo personally thanking the Mayor for his support at the demolition and redesign of the NYS Fairground Grandstand

**COMMITTEE REPORTS:**

**Administrative** Mayor Ronald Benedetti None at this time  
**Legal** Kevin Gilligan, Village Lawyer None at this time  
**Treasurer** Cheryl Visconti, Acting Treasurer reported in the Budget Mods there is a reduction in payments for taxes because it picked up Landis Plastic Pilot program from last year's budget that expired last year and made up for it with health insurance and snow removal.  
**Police** Allen Wood, Police Chief reported 787 service calls for January 2016. The department had 31 follow-ups, 7 felonies, 26 miscellaneous, 92 Vehicle and Traffic, 123 parking tickets and 13 accidents.  
**Electric** Joe Hawksby, Electric Superintendent reported on Center Street has been rebuilt. The department is removing double wood, and working a job for O'Brien and Gere (Fabreze fans). During the wind storm there were no outages. On Mathews Ave substation, an indicators went off, heaters for SF6 Gas containers on 115 KV breakers. Dave Au our Assistant Superintendent is retiring in May and the department is currently looking for a replacement.  
**DPW/Highway** Mark Cazzoli, Highway Superintendent reported the month of February had been a fairly active month for snow plowing. Salt usage has been low to moderate for the season and the equipment is in good running condition. The department has had only a few storm drain collapses and blockages and sanitary issues have been on the average at this time of the year. In the spring season the department will be busy on the tennis courts adding a full kitchen, bocce court, shuffle board court, new trees replacing the old and ugly with a new surfacing of the existing asphalt. All this funding will be paid by the Community Development.  
They will be also adding additional storm sewer drains with larger piping in the 200 block of Montrose Ave to relieve the flooding problem we now have. This also will be under special funding by the County and State. Once this is completed the department will be RE Profile the road and pave from Hamilton Street through West Genesee Street, down Charles Ave to Driscoll Ave and this will be paid for by CHIPS which is also federally funded.  
Also, they are going to start on the sidewalk rehab as soon as possible. Picking and choosing where ever it is needed the most. Lastly, the Mayor was able to get additional funding through Assembly Magnarelli to add on to the mechanics garage, approximately 20' x40' and will be paid by the State and installed by your DPW.  
**Library** Loretta Hughes reported for the library the wintry weather during the past month has presented us with challenges particularly when it comes to people braving the bitter cold and snow to attend programs we've scheduled during February. As always, the Highway Department has done a great job of keeping our walkways and parking lots plowed although we did decide to close at 5:00 p.m. last Tuesday when all that snow and slush began to turn to ice.  
A couple programs which are so popular that they seem to be unaffected by the weather are the weekly Tuesday morning story time with Rosemarie Novembrini which has developed a very loyal following and the AARP Free Tax Assistance Program which will continue to be held on Monday and Wednesday mornings through April 13. Besides the free tax assistance program, the library is once again the place to go for those who need to pick up tax forms. We have many different forms available and are able to assist patrons with downloading and printing copies of forms that we don't have.

Some other programs we have coming up during the next few weeks, include three party events for children.

This Saturday we'll be celebrating Dr. Seuss's birthday with birthday cake, Dr. Seuss stories and a craft for kids to make and take home. Following the party we're having a movie marathon of some favorite Dr. Seuss movies beginning with "The Cat in the Hat".

Saturday, March 19 we're having a pajama party. Local author Mylisa Larsen will be here to read her newly published book "How to Put Your Parents to Bed". To go along with her book, Mylisa is planning some fun activities including games, crafts and snacks for kids ages 3-7 years old and their parents.

The following Saturday, March 26 we're having our annual Easter Party from 1:00-2:00 which includes a traditional Easter Egg hunt throughout the library along with games, crafts and Easter treats. This is open to kids ages 3-8 and will be sponsored by the Friends of the Library.

The library will be closing early on Good Friday, March 25. We'll close at 3 pm that day. We'll be open regular hours on Saturday and closed on Sunday, the 27<sup>th</sup> for Easter.

On Monday the 28<sup>th</sup> at 6:00 pm, the Solvay-Geddes Historical Society will have their first meeting of the year in the Library's community room. The topic and guest speaker have yet to be announced but we'll put it on our website when that information becomes available.

Last month I told you we were in the process of installing our six new computers. That's been done and they're all up and running and people have been using them steadily. We now have 14 computers available for public use, all of them have printing capabilities and two of them have scanners attached.

Lastly, we're always looking for feedback and suggestions from our patrons. This month we changed the form patrons can fill out to give us their comments and opinions. We received several comment forms and every one of them was extremely positive. The overall rating of the library facility, the hours of operation, the services we provide and the library staff were rated as excellent. The comments were particularly complimentary of the library staff. One person even wrote that we could give lessons to some of the other libraries in human relations. We do have a great staff and that's why the library runs so smoothly.

I've made copies of all the forms and will give them to the Mayor but I wanted to let you know that the feedback we're receiving from patrons about the library is very positive and I hope that when you're speaking to people out in the community you're hearing good things as well.

Thank you.
