

Library

Loretta Hughes reported:

Thanks to the Highway Dept. the Library has a new sign in its front entranceway. They refurbished the outdoor sign that was removed after sustaining damage from a winter storm. It looks brand new and it's large enough so that we can use half of it to post information about Library activities and the Friends of the Library can use the other half for their information.

One of the upcoming events posted on the new sign is the Friends annual book and bake sale. This year the sale will be held on Friday, Saturday and Sunday, May 20 through the 22nd at the Fire Department on Milton Ave.

Book donations are being accepted at the Library during the two weeks prior to the sale. Flyers with all the dates and pertinent information will be posted on our website and throughout the library. A copy will also be posted on the Village Hall bulletin board.

I'd also like to tell you about some new brochures we have in the Library. They're brochures we received from the Literacy Coalition of Onondaga County regarding Dolly Parton's Imagination Library Program. This is a program whereby parents can register any child under the age of five and each month an age appropriate book will be mailed in the child's name directly to their home. The program is completely free and open to any child from birth to five years old who lives in Onondaga County.

This coming Saturday at 1:00 is the Library's annual Easter Party unfortunately we're not able to accept any more registrations. We currently have 30 kids signed up and 10 more on the waiting list. And just a reminder, the Library is closing at 3:00 pm on Friday and closed all day on Sunday for the Easter holiday.

On Monday, March 28 is the Solvay Geddes Historical Society's first meeting of the year.

In April we're hosting a "Try T'ai Chi" program. T'ai Chi is a low impact type of exercise. It's been shown to benefit the cardio vascular system, core strength, flexibility and balance. During the introductory class and demonstration people will learn some simple steps they can do on their own. It's free and will be held in the Community Room on Thursday, April 7 at 11:00 a.m.

The following Sunday, April 10 we'll be showing the new "Star Wars the Force Awakens" movie at 2:00 p.m.

Lastly, I wanted to let you know that we're looking into starting a Chess Club at the Library. We're trying to determine if this is something people would be interested in so we've got a sign-up sheet posted at the circulation desk and have had several people sign-up.

Tuesday, April 19 at 6:30 p.m. we're having a "Chess Night For Ages". It will be partly informational meeting and partly a night to get together to play chess.

If you or anyone you know would like to come to the library to play chess or would like to learn how to play, please come on April 19th or contact the library to let us know you'd be interested. The chess club would be free and open to all ages and skill levels.

Thank you. Loretta Hughes, Library Representative

Codes

Trustee Tarolli reported at their Codes meeting Peter Albrigo informed the committee about the houses being renovated and are up for sale. He would like the four or five homes that are multi family homes be reduced to two family. Hopefully this will reduce illegal apartments. We will be notified of the next meeting.
