March 9th marked the end of the 2012-13 reporting period.

Engineer will be requesting data from various Village officials concerning their stormwater management plan activities over the past 12 months for the Annual Report.

A public meeting to present the report will be held in May as it is required to be filed with the NYSDEC in early June.

**No Net Increase Modeling Presentation**

C&S Engineers, developers’ of the model, conducted a presentation on March 25th to MS4s members of the CNY Stormwater Coalition.

The Excel-based Watershed Treatment Model is intended to be used on a regular basis to determine if the Village’s Stormwater Management Plan is meeting permit requirements as it relates to pollutants of concern.

The Village needs to formulate a policy requiring developers to update the model to determine potential stormwater impacts prior to approvals.

**Year-5 Outreach and Education Program**

□ CNYRPDB has provided the following materials to each MS4 for public distribution:

- Scoop the Poop (30 brochures)
- Lawn and Garden Care (30 brochures)
- Make a Personal Commitment to Clean Water (50 info sheets)
- CNY Stormwater Coalition (50 info sheets)
- Copies will be available at Village Hall.
