**Library** Loretta Hughes reported:

- The Library’s summer hours began on Sunday, June 22. From now until Labor Day weekend the Library will be open half days on Saturdays from 9:00-1:00 and closed on Sundays.
- Summer Reading Club – our summer reading program began yesterday and runs through August 15<sup>th</sup>. As of today we have 38 kids signed up so we’re off to a pretty good start.
- In addition to the reading club we’re also introducing several new programs starting this week. We have the teen program on Tuesdays, a family movie night on Wednesdays, our Game Day on Thursdays, Crafts Day on Fridays, and a Saturday morning stories and activity hour for younger kids on Saturdays.
- This week we’re also starting our monthly Book Readers and Tail Waggers Program – Children ages 5 and older get to sit and read to a trained and certified therapy dog for 10-15 minutes to practice their reading skills. The dog and his handler are coming to us from PAWS of CNY a volunteer organization that brings therapy dogs to libraries, schools, hospitals and nursing homes. This type of program is beneficial to all children but especially for struggling or reluctant readers. Over time the child’s reading ability and confidence can improve because they’re reading with a non-judgmental reading partner, they get to choose whatever book they’d like to read and they’re practicing their skills in a fun way. Today we had four children participate and each got to read for about 15 minutes. We’ll offer this program on the 4<sup>th</sup> Tuesday of each month at 3:00 p.m.

- Tomorrow for our first family movie we'll be showing the new "The Lego Movie" starting at 6:00 p.m. in the Community Room.

**Library Staff**

We received a couple written Visitor Satisfaction Forms over the past month from patrons giving us feedback about their experience at the Library. Both were very complimentary with a lot of positive comments. One in particular was especially complimentary of one of our Clerks, Brian Rowlands. Brian assists patrons who request help using computers, scanners, Kindles, etc. and this particular patron credits Brian with helping him get a job at the VA Hospital. He said his assistance was instrumental in helping him get the job.
