LETTER OF COMMENDATION

TO: Lt. Osbeck, Ofc. Niedzialek & Ofc. Baichi
FROM: Mayor Derek Baichi
DATE: July 30, 2018
RE: Letter of Commendation

This letter is to formally and publically commend Lt. Osbeck, Ofc. Niedzialek and Ofc. Baichi for their exceptional service for the Village of Solway Police Department.

The response to a missing child is always an alarming situation and these Officers handled the situation in an effective and professional manner. The Officers were responsive and remained in constant contact with the mother of the missing child. They were able to locate the missing child in a timely manner and she is now safe and sound back with her mother.

The acts of our Officers are not only recognized but very much appreciated by myself and certainly the mother of the child. These Officers are the reason we take pride in our Police Department and why they are held to the highest standards. Once again, thank you and continue the great service to the Village of Solway.

Sincerely,

Derek Baichi

Mayor, Village of Solway
