HAPPY HALLOWEEN

"SHOP LOCAL" THIS HALLOWEEN - STAY IN SOLVAY!

**Please text or call Trustee Wheatley with any questions, concerns, or to help out in the future!
585-690-2461**

Solvay may not look like a candy gold mine at first glance, but it is actually FULL of houses who want to see lots of trick-or-treaters at their doors!

Year after year, more families choose to go outside of the neighborhood they live in or even outside of Solvay itself to spend their Halloween foraging for treats - but there are tons of folks who want to change that trend and bring back the kids to the village!

This year, try using the guide we have compiled using Facebook submissions from residents who are handing out candy and want to see the little ghosts and goblins - And please consider making Solvay your destination for trick-or-treating in 2024 and beyond!

**This guide is brought to you by:
Natalie Wine, Solvay resident
Theresa Wheatley, 3rd Ward Trustee
And the help of many wonderful neighbors!**

**HAPPY
HALLOWEEN**
